Find HIV Testing and Other Services

Use the [HIV Testing Sites & Care Services Locator](#).

The Locator now includes PrEP and STI services and is more user-friendly. [Read about how the new Locator can help you](#) serve your community.

Visit <https://gettested.cdc.gov/>.

Graphics

Download [posters](#)[Exit Disclaimer](#) from the Latino Commission on AIDS.

Federal Resources

CDC's communication tools and resources support efforts to prevent HIV and promote living well with HIV.

The CDC's [Let's Stop HIV Together campaign materials](#) include posters, graphics, videos, and more.

Use the [search function on this page](#) to locate campaign resources written in Spanish.

Learn about the Epidemic

HIV stigma refers to irrational or negative attitudes, behaviors, and judgments toward people with or at risk of HIV. It can negatively affect the health and well-being of people with HIV by discouraging some individuals from learning their HIV status, accessing treatment, or staying in care. [Stand up to stigma](#) and make a difference!
