Help Spread the Word About Healthy Eyes and Vision

Prevent Blindness has created these eye health and safety infographics to provide easy-to-read, relevant, and timely information on a wide range of eye and vision topics. They are designed specifically for sharing, **unaltered**, on social media channels such as Facebook, Twitter, and Instagram. Please contact us at 1-800-331-2020, or info@preventblindness.org if you have any questions or would like to partner with Prevent Blindness on the development and distribution of eye health and safety information.
